

Central Valley - Recovery • Awareness • Preventing Strokes

Know your options before you need them!

Welcome Our Speakers
Thursday, July 23, 2009
12N-2PM

Health Plan of San Joaquin
7751 S. Manthey Road
French Camp, CA 95231
(Just South of the S.J. General Hospital)

Ria Bustamante
Community Education Coordinator,
and
Mario Ruiz,
Clinical Assessment Coordinator

**Good Samaritan Inpatient
Rehabilitation Program**

Both Ria and Mario have lived in San Joaquin County. They both have emotional ties here and are anxious to share some of the great resources that are available to you should you ever need them.

**“Prevention is our goal.
Knowing our options is
everything else!”**

Mary Nicholson

Good Sam's Inpatient Rehabilitation Program is accredited by CARF (Commission on Accreditation of Rehabilitation Facilities) and is recognized as one of California's leaders in rehabilitative services.

**Lunch, Materials and other
Resources Provided**

Donation

**\$5.00
Survivors and
Caregivers**

What to expect from this month's program?

Specifically learn about their CARF accredited Stroke Specialty program.

In addition, you will hear a brief overview of all the diagnoses they treat including:

- Amputations
- Arthritis
- Bilateral joint replacement (like knees or hips)
- Brain Injuries
- Degenerative neurological disorders such as Parkinson's
- Orthopedic injury such as degenerative spine
- Other debilitating conditions that mean the patient has lost independence in self-care and mobility
- Spine cord injuries
-

Learn how Good Samaritan works with patients and their families to deal with common functional problems including:

- Difficulty walking, climbing stairs, getting out of bed
- Difficulty swallowing
- Loss of coordination and balance
- Problems with speech or language
- Memory deficits or judgment difficulties
- Loss of bowel or bladder control
- Limitations due to pain

Are you
eligible for the
Good Sam
program?
